Dear Parents,

Coasting School: DfE visit

We recently received a letter from the Department for Education informing us our results over the past three years have been below acceptable standards, and that we have been labelled a "Coasting School". I have written to parents before about my concerns about standards at Elm and that concern has driven our conversion to academy status (now due 1st April).

We have been working very hard to improve things, seeking support and advice and improving our teaching and learning. On Tuesday this week we had a visit from a DfE advisor (i.e. inspector, but not OfSTED). He was pleased with what he found and told us we were "taking appropriate action". This is very pleasing. We are on a long slow road of improvement, but it is good to hear that we are making strides in the right direction. My thanks to all staff and governors who are working hard to provide a better education for your children.

Graham Water residential visit

This takes place for children in Years 5 and 6 on 3rd – 5th July and is always a great experience. Due to some children dropping out we now have two spaces available – please let us know if you are interested by contacting the school office as soon as possible.

Clubs and attendance

We have a number of children whose parents put their names down for clubs and then do not attend. Where children do not attend for three weeks in a row we will take them off the list and offer their place to someone else.

Attendance

This week the best attendance was in Year 2 with 100%. Well done! Overall attendance last week was 96.8%, much better! Please note we are not authorising holiday absence except in the most exceptional circumstances. Please see attached the Attendance Matters newsletter published across Wisbech. It is interesting to see that attendance across the town was 95.64% in the autumn and improving. Sadly we let the town down with a disappointing 94.8%. Things are improving a bit now, but there is still a long way to go – your children need to be in school every day to get the most from our teaching!

Class	Attendance
Reception	98.7%
Year 1	94%
Year 2	100%
Year 3	94.4%
Year 4	97.3%
Year 5	96.8%
Year 6	96.7%
